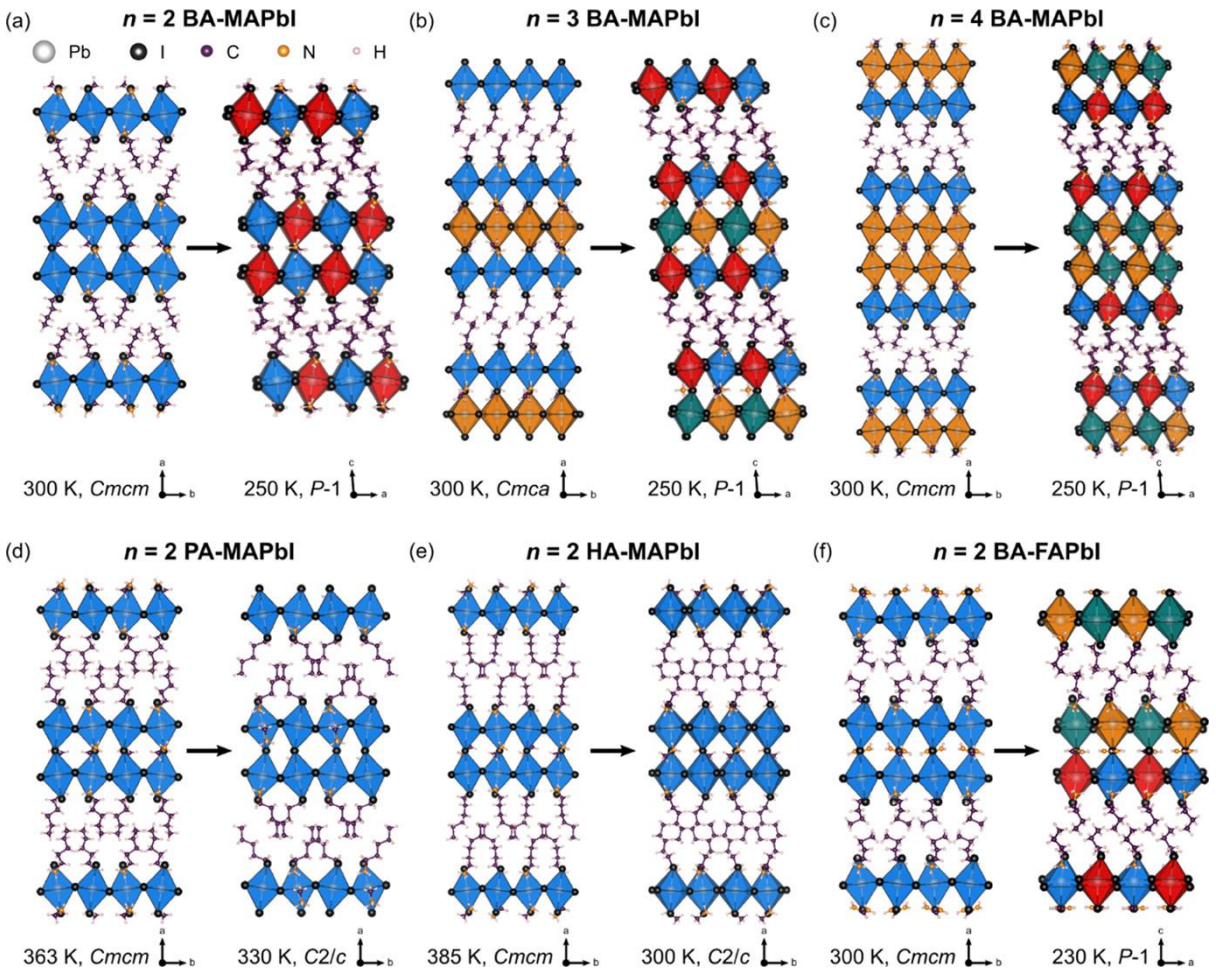
ACS Publications
High quality. High impact.



Structural phase transitions viewed from the side to highlight the transitions of the organic-spacer layers in (a) *n* = 2 BA-MAPbI, (b) *n* = 3 BA-MAPbI, (c) *n* = 4 BA-MAPbI, (d) *n* = 2 BA-FAPbI, (e) *n* = 2 PA-MAPbI, and (f) *n* = 2 HA-MAPbI. (Disorder is omitted in all illustrations for clarity.)
