Prescription Safety Glasses Form – Account# 2221

The Department of Chemistry and Chemical Biology will provide up to $200 for the purchase of one pair of prescription safety glasses for graduate students, post doctoral fellows, undergraduates and research staff/associates performing work in one of our bench and/or wet research laboratories. Individuals are responsible for eye examination, prescription changes and for replacing lost or broken glasses at their own expense.

To obtain glasses, visit Katherine Oakley (Mallinckrodt 132) with your Harvard ID to get this authorization form signed. The completed form, and a valid eyeglass prescription, should be taken to the Industrial Protection Products (IPP) table that is setup in the Bauer Café (see schedule below) to order a pair of glasses. Researchers will be responsible for paying any amount that exceeds the $200 allowance provided by CCB.
